Acknowledgements

I would like to thank the following people and organizations that contributed many hours to reading and indexing the stories in Tales of Old Plympton for my Eagle Scout Project. Their joint effort made an enormous job doable. I would particularly like to thank Jon Wilhelmsen, chair of the Plympton Historical Commission, for his guidance and support throughout the project. I also would like to thank my fellow scouts and scouters, especially my Scoutmaster Francis Sullivan. I hope Eugene Wright would be pleased that now the information in his many stories can be used to better understand Plympton's history and preserve its heritage as it celebrates its 300th Anniversary.
